Dear Parents/Carers

**Re: Reading support for parents with children in Reception**

Reading is a skill we continue to develop throughout our lives, but starting this process as early as possible has significant benefits for our continued success as readers. This is why, as parents and carers, you play a vital role in supporting your child in becoming a fluent reader who is confidently able to apply their reading skills across all areas of their lives.

To help you understand the process of teaching Phonics we are inviting you to see lessons in action.

During the week beginning 23<sup>rd</sup> September, you will have an opportunity to see your child's Phonics lessons. The lessons will start promptly at 8:50am. Please wait at your child's classroom door and you will be asked to come in by your child's class teacher.

Please use sign-up sheets to on your child's classroom door.

Thank you for your support.

Yours sincerely

**Reception Team**
